PLEASE NOTE:

- Any future changes made to your initial selection will result in a longer wait time, but we will do our best to accommodate you.
- My waitlist is currently is around 4-9 months out depending on color selection. Silvers are closer to the 9-12 month wait. Time frames vary with more people putting down waitlist deposits.
- Kittens are selected by your status on the waiting list. You may inquire about which spot you are. If you do not like the selections available to you, you may move to the next litter. You may ask the breeder to select a kitten for your unique household.
- I will contact you as soon as I have a kitten for you.
- Please feel free to ask any questions by calling or emailing me.
- Please follow the facebook page, it's easiest for us to communicate weekly with our families on there.
- Kittens will go home at 12-14 weeks old, after they receive their first set of core vaccines, microchipped, and are dewormed. 12 weeks if you are local. 14 weeks if they need to fly.
- You will receive Kitten Care instructions and a list of items to purchase 1-2 weeks prior to your kitten pick up.
- You will receive a Royal Canin email to purchase the recommended kitten food 2 weeks prior.
- You will receive a 24-month congenital health guarantee listed in the sales contract and your kitten will be registered with either TICA and or CFA.
- You are responsible for spay and neutering. Proof of procedure is required by the age of 12 months.
